LE20

DOUBLE
NOIR

RELEASE DATE:
DECEMBER 2020

MARLBOROUGH,
NEW ZEALAND •
LODI, CALIFORNIA

Marlborough garners much acclaim for its cool climate Pinot Noirs. The region enjoys plenty of sunshine and the moderate temperatures see a strong swing between day and night, fostering strong varietal expression. Lodi also sees big temperature changes from day to night, which helps Gamay retain its characteristic acidity.

DOUBLE NOIR

Gamay Noir and Pinot Noir are the perfect pair - both varietals feature high natural acidity and low tannins, making this an extremely food-friendly wine. Cherry and cranberry on the nose with a subtle floral note.

Strawberry and cherry flavours are accented by an undertone of savoury spice. Vibrant and versatile with freshness and finesse.

Try chilling Double Noir for one hour before serving.

SWEETNESS: DRY
BODY: MEDIUM
OAK: LIGHT
ALCOHOL: 13.0%

JUST *Fine* wine
