VIOGNIER ROUSSANNE MARSANNE

Tantalizing peach, apricot, and Meyer lemon flavours, just hinting at honeysuckle and brioche. This textured wine leans to the fuller side but stays smooth and fresh with elegant balance.

*Northern Rhône
& Savoie, France*

A rare delight. These small & prestigious regions account for a very small percentage of France's overall production, making wine from these areas hard to find.

VIOGNIER, ROUSSANNE & MARSANNE are the only three white wine grapes permitted to be grown in Northern Rhône.
