

# PINOT GRIS VERDELHO

RIVERLAND, AUSTRALIA

## WINE

Citrus and tropical aromas carry through to a lively palate. Pinot Gris brings melon and pear, while Verdelho adds tropical fruit. Notes of pineapple, guava, and citrus are lifted by green apple and subtle spice. Silky texture, crisp acidity, and a light mineral note create a refreshing finish.

13% | DRY | MEDIUM BODY

## REGION

Verdelho thrives in Riverland's warm Mediterranean climate. Hot days promote ripening, while cool nights help retain acidity - crucial for Pinot Gris. The winding Murray River provides reliable irrigation in this dry region, nourishing fertile loam and clay soils. These conditions produce fully ripened grapes, yielding fresh, fruit-driven wines.

## FOOD

Pairs perfectly with Thai red curry chicken, shrimp vermicelli bowls, and pear, walnut, and goat cheese salad.
